Innovating Justice Conference

The Hague Institute for Innovation of Law (Hiil) is organising an Innovating Justice Conference taking place in Kampala on **Friday 28 September 2018, from 9am to 5pm at Hotel Africana.**

Uniquely, each component of the Justice Innovation Programme in Uganda will showcase its work and share insights with the audience and experts. **Among others, Hiil will highlight and discuss some of the ongoing initiatives like the Uganda Justice Dashboard, the stakeholder engagement work around Family Justice and the Call for Innovations.**

As a result of the Call for Innovations, the event will further showcase a series of pitches of the most promising solutions that can empower citizens to access justice even faster and more efficiently in Uganda. The winning innovation, selected by a jury, will receive 5,000 EUR and enter the Hiil Justice Accelerator Programme 2018/19.

The event brings together partners and experts from the Justice, Law and Order Sector, Uganda Prison Services, Judiciary, Innovation Hubs, Makerere University and many more. Besides the opportunity to meet some of the country's most innovative justice entrepreneurs you will get a chance to know more about the Justice Innovation Programme.
